The trial version is very limited, and you'll find this page on their website. There are 2 different formats of the serial key: one is used to register, and the other one is used to activate the trial version. After registering, a serial number will be sent to the email address you provided. The serial number can be used to register Archicad and use some of its functions. After you've registered successfully, the program will be activated immediately. When you've activated your trial version, you can use it for 30 days, after which you need to register again.
