RAVE REVIEWS: “Stunningly beautiful, both in art and gameplay.” - 2ndG
“A deep, challenging RPG with plenty of original ideas.” - JK_Newton “I want to go back to this game.” - Sinister_Devil “A beautiful game where even the low graphics make the game look amazing.” - IronSlay ABOUT SKIDROW ENTERTAINMENT Founded in 2005, Skidrow Entertainment is one of the leading video game publishing companies worldwide. For more than 20 years, Skidrow has been focused on the development of exceptional titles that push the limits of video game technology and deliver fresh experiences to players. Skidrow's first major franchise, the first-person shooter “Dead Space,” has sold over 4 million units to date and a pair of the company’s 3D MMORPG titles — “Defiance” and “Borderland” — have each more than a million players. Skidrow has recently launched a new game with a similar style, the sci-fi action title “Greedfall,” for the iOS platform, and a highly-anticipated new Battlefield-style PC game, “World War I: Wings Over Omasawa.” Skidrow also publishes a range of highly-anticipated titles from top Western and Asian publishers. In addition, Skidrow leads the development and publishing of video games for third-party platforms and digital download services. Skidrow’s international development studio, Skidrow Interactive, is known for its action-adventure titles including “Spark” and “Micmacs.” The North American division of Skidrow is based in Irvine, California. The Elden Ring adventure is a fantasy adventure game in which you advance by joining the Houses of the Elden Ring, each with their own story and gameplay. As you rise in the Elden Ring, you are transported to the Lands Between, a region where the lines between worlds are blurred. There, you can see monsters crawling out of the black, foreboding darkness, and you can seek out their true nature and forge an alliance with them. Step on the path of a noble hero that will take your power to the next level and defeat the great evil. Depending on your character, you can receive numerous opportunities to cross paths with the other characters. How do I jump into the world of ELDEN RING? Select the drop down menu icon at the bottom of the title screen. ► **Game Overview** The game's battle system is a fantasy action RPG. The battle system features an original system of "encounters" that increases in difficulty depending on your character's level. Possible events include a battle with a monster, a battle with a boss character, or meeting a member of the House that you will connect to your character later. **Character Sheet** A character sheet is available to help with all the character development you need to make the most of the quest. The sheet is shared with all players and contains everything from the character's starting equipment to data on the quests, monsters, and NPC. [Learn more] **Character Development** The game features character development. Character development is expressed as the Soul. Souls can be obtained by meeting certain conditions throughout the game. During battles, you can perform an action on the turn meter. The action varies depending on your character. The actions you can perform include actions such as attacking, defending, moving, and using skill effects, such as special magic. Additionally, during a battle, you can increase the effectiveness of your action by performing an action called a "special." You can perform special actions like increasing your strength and defense, or performing magic attacks. Special actions are determined through the use of an elemental stat. ► **Basic Guide** How do I grow my character in battle? There are two ways to do so. You can rise in the ranking of the House of your character and join them on the adventure, or you can fight against monsters.

While much of U.S. sports-watching this Sunday will be centered on an NFL playoff matchup between the New England Patriots and the Atlanta Falcons, we're also getting an extra helping of NCAA football, with 10.5 hours of games scheduled in prime time on Fox (3-10 p.m. ET), ABC (8-11 p.m. ET) and CBS (11-6 p.m. ET). In addition to the games, Fox also will carry the National Championship Game from Atlanta, and ESPN will be broadcasting the Iron Bowl matchup between Alabama and Auburn (1 p.m. ET). Fox will open the day with the game between LSU and Texas A&M (noon ET). On ABC, the network will begin with the Virginia-West Virginia showdown (7 p.m. ET), then move onto the UConn-Providence matchup (8 p.m. ET), and finish with the No. 3 Florida-Georgia clash (10 p.m. ET). On CBS, the network will open with the No. 4 Iowa-Michigan showdown (11 a.m. ET), then will air the Temple-Georgetown tilt (12 p.m. ET), and finish with the Wisconsin-Washington St. showdown (2 p.m. ET). ESPN will air the Auburn-Alabama game on its SEC Championship Game telecast (12 p.m. ET).

Neural correlates of prazosin-sensitive attention impairment in schizophrenia. To test the hypothesis that patients with schizophrenia display attention impairment that is sensitive to the blockade of alpha1-adrenergic receptors, we used functional magnetic resonance imaging (fMRI) to examine schizophrenic patients with and without treatment with the alpha1-adrenergic blocker prazosin. On a continuous performance task, schizophrenic patients with and without prazosin showed significantly reduced attentional accuracy and, as predicted, this defect was reversed by prazosin. A significant correlation was also found between improvements in symptoms and neural activation in the left middle frontal gyrus
