According to your insurer, they will pay 75% of what you paid the original contractor, on top of what they are paying you. That means in this case, if I paid \$3,500 + my costs, my insurer will pay, on top of that, \$2,875 = 75% of the original \$3,500. Since my quote was on the low side, my insurer will pay the lion share of the project costs. You need to c6a93da74d
